Last month, we asked you about
smartphone use in schools.

Here's what you told us:

**Comisiynydd

Children's
Commissioner
for Wales

In October over **3000** of you told us about smartphone use in schools

Those of you in primary school who take a smartphone to school said you use it for messaging family and to help you feel safe

In secondary school, you said you use it for messaging family and friends, and for schoolwork/learning

91% of you are not allowed to use phones in class

51% of you said you didn't want more rules on phone use in schools

- What do you and your family/carers already do?
- What do your school/community groups do?
- Do you know what Welsh Government are doing to help the environment?
